TENSO

The traditional embossed polypropylene strapping manufactured to stringent high specification standards. Tenso is the only strapping in the market which carries the **BondMark™** seal of quality. Polypropylene strapping will secure cartons, unitise parcels and stabilise pallet loads efficiently and economically.

Features

- Full range of sizes and breaking strengths
- Suitable for manual and machine application
- Consistent performance and quality – Tenso
- Compatible with most machine manufacturers
- Longer roll lengths reduces packaging waste
